25X1A6a [REDACTED] In this connection, I discussed very briefly the future [REDACTED] and from 25X1A6a
25X1A this discussion and other sources it appears definite that the [REDACTED] but to trans-

2. Ed Saunders advised me that the Director has approved of Project
[REDACTED] during Fiscal Year 1962, the cost of which is \$1.5 million. He has
directed Ed to do his best to obtain a release from the Reserve for this purpose. Ed
and I both feel that if this Project is going to continue to run from year to year, which
is apparently the case, it should be included in the Fiscal Year 1963 budget estimates.

25X1A1d 3. [REDACTED] was up to brief me on the negotiations which he is carrying on with
the [REDACTED] during
ing the month of August. Things appear to be going along all right, although there is no
way either of us can think of to avoid disclosure of the fact that CIA is making this pay-
ment.
